THE VOICE OF THE WEST

June 1, 1970

Dear Mr. Lederberg:

I sympathize with you in your disappointment over the non-appearance of some of your columns in The Chronicle. But unfortunately it isn't my judgment that is involved, as I am sure you know. What I did with your note and the attached columns, and it is about all I could do, was to present them to William German, our executive news editor, and urge him to reconsider. I hope you may hear from him direct. In any event, you may wish to go yourself direct to him for a better understanding.

Yours,

SAN FRANCISCO, CALIF. 94119
